Dear Yancho,

I have the pleasure to invite Members of IEEE Young Professionals Bulgaria to the 3rd Central European Student and Young Professionals Congress 2015 that will be held this year in Zagreb, Croatia, from 8th to 10th May.

Although the name has changed from Central European Student Branch Congress to the Central European Student and Young Professionals Congress, the tradition continues. After Linz in 2011 and Opole in 2013, this year CEuSYP congress takes place in the capital city of Croatia - Zagreb.

The congress registration fee is **90€** and it covers all expenses during the Congress except for accommodation. We are giving participants a possibility to choose the accommodation we recommend on our website and for which we have agreed special rates, or to choose any other option according to their preference. Recommended accommodation is hotel International, Miramarska 24, 10000 Zagreb, near Faculty of Electrical Engineering and Computing (FER) and hostel Chillout, Tomic street 5A, 10000 Zagreb. Travel expenses are also not included and should be covered by the attendee.

Important Dates:

Opening of registrations: **16 March 2015**

Closing of registrations: **19 April 2015**

IEEE CEuSYP Congress: **8 – 10 May 2015**

All participants will have a chance to learn new skills during our workshops and learn about new trends in science and technology, as well as share a significant and unique experience with other IEEE colleagues. After all, CEuSYP is a great place to learn everything you want to know about IEEE and other Young Professional Affinity Groups or make new international contacts and friendships.

You can find more information on our [webpage](#) or on [facebook](#).

We hope to see you in Zagreb!

Kind regards,
